

Many of the children of YCS come from lives filled with unhappy memories. YCS Summer Camp offers these children an opportunity to run and play in a place where their greatest worry is a skinned knee -- a place where "kids can just be kids." YCS Summer Camp gives these children a chance to create new memories and restore their childhoods. It is a critical component of the total continuum of care that YCS provides to New Jersey's most vulnerable children.

Your support of "Fore The Kids 2010" will help to send over 100 children to YCS summer camp for two weeks!

Many children look forward to a summer filled with sun, swimming and fun! Others are not so lucky! We are asking for your help.
