Give a Child an **A+** Start to the School Year

MISSION

Since 2004, **Supplies 4 Success** has enhanced the lives of underprivileged children in New Jersey by providing thousands of children with backpacks filled with supplies at the start of each school year.

Supplies 4 Success was founded by a group of mothers and is based in Bergen County. Supplying young people with the basic tools they need to succeed and thrive during their school years, remains the core goal of the organization.

Supplies 4 Success is supported by Youth Consultation Service (YCS), a leading provider of individualized, behavioral health and educational programming for New Jersey's most vulnerable children.

*"Our parents get so anxious about school supplies and backpacks for their children, and their ability to afford these things at the start of each school year. They will be so thrilled to see what **Supplies 4 Success** has donated!"*

Administrator, Hillers School, Hackensack

No child should ever start school without the basic supplies to succeed.

"This is the first year that I have started school with a new backpack. I feel so proud to be able to walk into my school with new supplies."

3rd grade student, Lowell School, Teaneck

Facts:

According to the American Community Study/US Census Bureau, there are 40,000 children (ages 6-11) living below the poverty line in Northern New Jersey.

Supplies 4 Success has collected and donated more than 10,000 backpacks to date.

School recipients of the **Supplies 4 Success** program include: Teaneck, Bergenfield, Englewood, Hackensack, Paterson, Ridgefield Park, Bogota, Dumont and Wayne.

Recipient organizations include: YCS, Shelter our Sisters in Teaneck, Women's Rights Information Center of Englewood, Camp Lots of Fun and food pantries in Mahwah and Teaneck.

100% of donations are used to purchase school backpacks and supplies and are tax deductible.
