Special Dramatic Performance

In the Shadow of My Son

In a 45 minute adaptation of the play, *In the Shadow of My Son*, author and actor Nadine Bernard, addresses the isolation, loss of power, loss of sense of self, and shame of real women who undergo postpartum depression – while infusing her performance with humor and messages of hope. *This production is sponsored by the Gateway and Northwest Maternal and Child Health Network*

Conference Co sponsored by

All six New Jersey Maternal and Child Health Consortia
