YCS Regional Crisis Stabilization and Assessment Program Southern Region is a short-term intensive treatment home for adolescents with neurodevelopmental/psychiatric/medical needs designed to help assess and stabilize them so they may successfully transition back home or into as home-like a setting in the community as possible.

Personal Assistants will be expected to provide positive support, caring assistance and responsible supervision. This position is expected to require a unique sensitivity on the part of the applicants to recognize and appropriately respond to clients who may have evidenced difficulties.

Duties include but not limited to: Provide quality daily care (personal hygiene, housekeeping, meal preparation, and other related tasks) to ensure the health and safety of clients in the residence and community. Assist clients in meeting their individual goals and objectives as defined in their Individual Habilitation Plan. Dependent on client's IHP, teach/support the client with the following: bath, toilet, change adult absorbent underwear and linens, grooming and dressing, and self-administration of medication. De-escalate potential crisis situations and if necessary be prepared to control client physically. Keep accurate and timely records.

Must be at least 21 years or older with a valid driver's license and H.S. Diploma/GED; College degree preferred.

At least 3 years of experience providing direct care to youth with Intellectual and/or Developmental Disabilities (I/DD) challenges in a behavioral health agency or institutional setting.

Preferred: Certificates in Pre-Service training, Danielle's Law and Positive Behavioral Supports.

All new hires are required to attend a week orientation: Monday through Monday 8:45am-4:00pm, upon hire.
